

What do you think are the most important challenges our society is facing at the moment?

# Do you agree with these statements?

Political borders are necessary, even if they sometimes limit nature.

2.3

People are more likely to cooperate when they see how nature connects them.

3.9

Nature conservation is often idealized, but not always realistic in cross-border regions.

3.3

Projects about nature should include both environmental and historical perspectives.

4.4

Strongly disagree

Strongly agree

# Do you agree with these statements?

It's easier to live peacefully when people share similar backgrounds.

3.7

Belonging can also mean feeling at home in more than one culture.

4.4

Cultural differences should be respected, but not overly emphasized.

3.2

Learning different languages is key to living together peacefully.

3.8

Identity should not be based on where someone is from.

4.0

Strongly disagree

Strongly agree

# Do you agree with these statements?

The past should be remembered, but young people need to look forward.

3.9

Youth are often motivated to change things, but lack real power.

3.6

Talking about history helps us understand our freedom today.

4.4

Cooperation only works if all sides feel truly heard.

4.3

Older generations should give more space to youth perspectives.

4.1

Strongly disagree

Strongly agree

*Which of these themes would you personally like to explore more?*

Are there any other topics, ideas or issues you think are equally important and therefore should be considered as well?

Being able to  
unite and to  
learn to fight  
against evil

The social and  
economic  
situation in the  
regions at the  
border

I don' know

What is one thing you believe absolutely must be included in a trail about the border region?

peace

The history of  
the Iron Curtain

Presence of the  
towers and  
barbwires to  
remember the past

Respekt

A border trail should  
have a sign telling  
its history. It helps  
people learn about  
past events, culture  
and some other  
important places

emphasis on  
nature protection

freedom

lessons from  
history,  
cooperation,  
democracy,

What is one thing you believe absolutely must be included in a trail about the border region?

The communities  
that have lived  
there and are  
living there

Cooperation
